### JOCKEY FREISHON KILLED.

PROMISING LIGHTWEIGHT MEETS DEATH IN FIFTH RACE AT GRAVESEND.

First Fatality of the Year-Jockey C. Ross May Die as Result of His Injuries-G. Burns Escapes-Lyne Quits the Saddle.

New York, September 21.-Three horses fell with their riders during the early running of the fifth race at Gravesend today. Jockey Bertrand Freishon, who had the mount on Joe Levy, was the first to go down and was instantly killed. C. Ross, rider of Louis H., received injuries that may prove fatal, and G. Burns, piloting Sonoma Belle, was severely shaken up. The accident occurred opposite the paddock gate. Nearing the first turn, Joe Levy leading the other two, stumbled and in an effort to keep his feet staggered over in front of Sonoma Belle and both went down. Louis H. could not be stopped in time and ran right on top of the other two. Apparently none of the horses sustained any The start in this race was a procession. The turn had not been reached when the first horse fell. The last four were running through the stretch in Indian file. There was no crowding and no one was to blame.

Bertrand Freishon was a native of New Orleans. He was apprenticed to Roger Minton, trainer of the Hayman stable and was regarded as one of the promising of beginners. C. Ross is the adopted son of C. A. Ross. He is a native of France and the name of his parents, now dead, was Basquel. He began riding under the name of his father at Ascot Park last winter, but after he had been legally adopted by C. A. Ross he took the name of his foster father. Ross was taken to the Coney Island hospital where his injuries was diagnosed as concussion of the brain, with a bare chance of recovery. Freishon is the first jockey to be killed in racing this year.

The Willow Stakes, a handicap for two-year-old fillies exclusively was the feature of the card. A tremendous plunge on F. R. Hitchcock's Fantastic failed to bring the expected returns, as jockey Miller bungled his work badly and could only earn third to the vigorously ridden Kennyetto and the sudenly rejuvenated Gold Lady. The mile and a furlong handicap brought out a splendid field of horses. Its running resulted in a big upset, Coy Maid winning at long odds from the heavily backed favorite. Dandelion. That the Keene stable uncov ered a speed wonder in Suffrage, winner of the first race, was conceded on all sides. Horsemen pro nounced her one of the fastest fillies seen in years Roseben or Lady Amelia. The weather was excessively hot, but a big crowd of racegoers was in evidence.

Jockey Lucian Lyne gave his "tack" away today and will ride no more. Constant reducing with re sultant ill health prompted the young Kentuckian to retire from the saddle before his constitution became impaired.

Unfounded rumors were current to the effect that the coming match between Roseben and Lady Amelia had fallen through. President Dwyer stated that unfavorable weather conditions only would prevent it. Shaw or Radtke will ride Davy Johnson's horse instead of Lyne, the original selec

### RAINEY HORSES MAY WINTER AT MEMPHIS.

New York, September 21,-It has not been decided rses in the racing establishment Paul J. and Roy A. Rainey will be wintered, but trainer May says it is likely that Memphis will b the choice. May has wintered at Montgomery Park last five or six years and he likes condition The water is first rate, the climate is equable and the sandy going is the best thing in th world for spring training. Yankee Consul, one of crack two-year-olds of last season, was developed The only horses of the Rainey estab at Memphis. May will continue to race hereabouts are De Mund and Heaslip. They are in fine condition Mund came nicely out of the Flatbush the other day, will fill his engagement in the Junior Champio Stakes and maybe start a time or two at Brighton Beach. May has not yet found a satisfactory explanation for the poor race De Mund ran in the Great Eastern. He cannot believe there are in the United States half a dozen two-year-olds capabl of keeping up with De Mund the first half mile of any race, yet in the Great Eastern six or seven youngsters, De Mund among them, galloped to the

#### CONDENSED HISTORY OF THE JUNIOR CHAMPION.

The Junior Champion is the most valuable stake for two-year-olds of the Brooklyn Jockey Club's autumn meeting and in consequence much coveted by owners. In the old days there was a stake of high value of the same name run annually at Monmouth Park, but the abolition of racing in New Jersey caused its extinction. Since its revival at Gravesend such high-class youngsters as Mesmerist, Commando, Goldsmith, Highball and Sysonby have won the Junior Champion. The record of its running is as follows:

### TWO DISQUALIFICATIONS AT LOUISVILLE. PURSLANE LOWERS A WOODBINE RECORD.

St. Volma Runs Out of the Course in the Steeplechase and Talamund Causes a Mixup.

Louisville, Ky., September 21.-There were two disqualifications at Churchill Downs today. The first came in the steeplechase, which was the chief offering on the card. St. Volma and Maverick fought it out hard through the stretch and the former, by staying close to the inner rail while Maverick was boring out, got the decision by a head. The decision was not well received by many who thought that Maverick had won. After the riders had weighed out, judge Price ordered the numbers taken down and gave the race to Maverick disqualifying St. Volma on complaint that he had run out of the course after going over the sixth obstacle. By the change in decision, Sigmund got econd and Little Wally third money. Aside from the disqualification of St. Volma, the race did not set well with the public. H. M. P., which had been heavily backed, bolted at the first jump.

Talamund, in the last race, was the other horse set back. He finished a good second to Malicable, but caused a jam soon after the start in which

Prince of Pless was knocked down.

The sharpshooters were out in force and the books suffered, all the winners being liberally supported. Jockey Buchanan is the latest to join the ranks of He has purchased Easy Street from Dr. H.

Jockey Seder was taken ill after riding Inspector Girl and could not fill out his engagements. Wylie on Prince of Pless was not hurt by the fall.

### BURKE AND BLUMENTHAL QUIT.

New York, September 21,-So heavy and so per sistent has been the winning of the public in the last few days that Eddie Burke and Max Blumenthat two of the foremost bookmakers have dropped out of the game. ### MATCH RACE AT TORONTO TODAY.

Toronto, Ont., September 21.-The two-year-olds, Irene A., owned by the Texas turfman, J. H. Madi and Reside, owned by L. L. Lamar, were matched this morning for \$1,000 a side to run five and one-half furiongs tomorrow on condition that the track be fast. The race is not to be a part of the program of the Ontario Jockey Club. Irene A. Monday and yesterday the latter turned the tables, but owner Lamar was not satisfied and proposed the match, which Madigan readily ac

### NATHANSON GIVES HIS REASONS.

Louisville, Ky., September 21.—The order issued by Secretary Nathanson against Hugh McCarren, Jr. ckeys Perrett and B. Miller created discussion among horsemen today. Secretary Nathan

"The reason for my promulgating the announce ment was because of the contempt shown by McCar ren for our ruling in permitting Perrett to accept nounts after we had suspended the rider. Miller also in accepting mounts showed a disregard for our ruling and must therefore come under the ban.'

### WINN CALLS MEETING OF A. T. A.

Louisville, Ky., September 21.-President Matt J. Winn of the American Turf Association telegraphed Secretary McAllister at Chicago today to issue a call to the members for a meeting here at Seelbach's Hotel on the morning of October 1. The object of the meeting, Mr. Winn says, is to discuss in general matters pertaining to the turf,

## Runs Five and a Half Furlongs in 1:06 1-5-Char cellor Walworth Wins at Long Odds.

Toronto, Ont., September 21. - At Woodbine track toady Joseph E. Seagram's Purslane, which was a starter in this year's Futurity, easily cap tured the five and a half furlong sprint, second on the card, and incidentally lowered the track record for that distance. Ed. Gardner's Charlie Eastman held the record of 1:063 and today Purslane, masterfully ridden by Koerner, ran the distance in 1:06%. Charlie Gilbert was the victor's only serious opponent, but he never had a look-in with the Sea gram colt.

Wholesale scratches reduced the fields, but aside from the second and sixth races, the latter easily taken by Meddling Daisy, the finishes were close and interesting sport was witnessed. The third race at a mile and an eighth, aroused the most interest among the spectators. Chancellor Walworth, quoted at 60 to 1, received a superb ride from Swain and got up in time to beat Cambridge by a short head The latter was heavily backed and just nosed out Reservation, the favorite for second money. Follow-ers of form, however, hid another bad day, only two favorites winning. The other victors received but scant support. Jockeys Koerner and J. Kelly each rode two winners

William Murray, who will do the starting at the coming Hamilton meeting, was a visitor at Wood-bine today. A. R. Louden, secretary of the Hamilton Jockey Club, was also here. Mr. Louden stated that everything is in readiness for the Hamilton meeting, which will open Tuesday next.

### THIS YEAR'S HIGH-PRICED YOUNGSTERS.

Seventeen thoroughbred yearlings were sold by uction this year for \$5,000 or more each, the highest price being \$15,000. This was for the Water-cress—Rosette colt which was in the California consignment of J. B. Haggin, sold in June, and ou of which six others were knocked down for \$5,000 Breeders and horsemen, however, have generally been disinclined to accept as a standard of values the prices obtained at the Haggin aud They have set up the claim that many of this veteran breeder's horses have passed through the ring and into the hands of his agents at exvalues with the result that the general average has appeared larger than the actual cash transactions would show. This may or may not be true. At any rate the yearlings are produced by Mr. Haggin and he probably feels that if there is satisfaction in disposing of his stock under arrangements entailing contingencies he is entitled to it, or that if there is harm to come out of it would be most affected. Support to the arguments of those who disapprove of the Haggin meth ods is found in the fact that at the sale of the Bennington horses on Saturday last the Watercress which in June, had been knocked down to Newton Bennington on a bid of \$14,000 was sold back to Mr. Haggin for \$6,600 and the Watercress-Colonial colt, which the Long Island real dealer had taken on a bid of \$5,000, was declared sold to John Mackey for \$1,000. ### COMING OAKLAND MEETING.

PRESIDENT WILLIAMS TELLS OF THE OUT-LOOK FOR RACING AT SAN FRANCISCO.

Says He Expects It to Be the Best Ever Held on the Coast-Announces List of Stakes

to Be Decided.

Mr. Thomas H. Williams, president of the California Jockey Club, is in Chicago for a brief stay prior to going on to New York, where he will confer with owners in regard to the winter racing to be conducted at Oakland beginning the 17th of next November.

"I firmly believe we shall have the best meeting in all respects ever held on the coast," said he yesterday. "The people of San Francisco have recovered from the dismay caused by the earthquake and destruction of the main portion of our city and are full of hope and confidence in the future. In the course of the long work of rebuilding, a large proportion of our people find themselves provided with abundant leisure and are eager to be furnished with amusements with which to pass away the time. It may seem surprising, but I am confident more people will attend the Oakland races than have

"When it was known that the California Jockey Club intended to give its usual season of racing, there was an impression that purses and stakes would be reduced. Quite to the contrary, we will in no respect curtail our offerings to horsemen. Our stakes are identical with those of last season and the large number of overnight \$1,000 or over handicaps that proved so attractive and successful last winter, will be continued liberally, dependant, as a matter of course, on our having enough good horses on hand to fill them well and provide good entertainment for a sport-loving people. Horsemen will find our tracks and equipments in first-class condition in every respect and accommodations will be ample for themselves and their horses. Just at present hotel facilities in San Francisco are necessarily limited, but construction is being hurried rapidly and there will be little to complain of in that respect by the time racing begins. We already have a big contingent of horses ready that have raced at Seattle and other coast tracks during the summer and I hope to be able to attract horses of good class from New York and the central west. I have a stable of fourteen youngsters myself, seven of which are now two-year-olds. There may be one or two good ones among them.'

Nineteen stakes have been scheduled for the meeting. They carry a total of \$48,500 in added money. Fifteen of the stakes will close October 29. The other four, for horses now yearlings, to be raced as two-year-olds in 1907, will close December 3. Here is the list in the order in which the stakes are to be decided, the dates having already been fixed, the ages named being those at the time of closing and the amounts representing the value in added money. save in the Burns Handicap, which has a guaranteed

### HARRY PAYNE WHITNEY'S BAD YEAR.

There is now little chance that Harry Payne will be among the owners winning m than \$100,000 at the end of the present season. To date this year his horses have won twenty-two races, been second nineteen times and third thirteen times and won \$73,410. For the corresponding period in 1905 this establisment had taken twenty-four races, thirteen seconds, twelve thirds and \$128,872, closing the year with thirty-three wins, seventeen seconds, sixteen thirds and \$170,447. No racing establishment of similar magnitude has had quite so much hard luck this season as has that of Mr. Whitney. There hardly a horse in the stable that has not been ailing at some time in the year, but the going wro of Burgomaster was the most serious blow. This son of Hamburg, which at the outset of the season gave promise of ending the year as the champion three-year-old, made only two starts, which he was successful. He won the Carlton Stakes at Gravesend May 26, and the Belmont Stakes at Belmont Park May 30. These two victories netted

Winner—Ch. f, by Rancocas—Dead Cinch (trained by H. S. Newman).

Went to post at 3:08. At post 3 minutes. Start fair. Won handily: second and third the same. Miss Anxious broke quickly, showed great speed and, assuming a long lead at once, held on well in the final cirve and scored a lucky victory. Gallopoff gained steadily through the stretch run and, with a stronger rider up, would have won. Orderly had no mishaps and was tiring fast in the last furlong. Cortex tired slightly after going five furlongs. Inspector Girl, away in a tangle, ran a dull race, but finished fast through the stretch. Principia would not extend herself fully in the going.

"Disqualified for foul. Time, 255, 514, 1:194, 1:464. Winner—B. c, by Mazagan—Intacta (trained by T. J. Nicol). Went to post at 4:38. At post 2 minutes. Start good. Won handily; second driving; third the same. Mealleable showed good form in the going and, aided by a good ride and being clear of interference, wore down Talamund in the first quarter and held the race safe to the end. Talamund was a forward contender for the entire trip and was an easy second, but was disqualified for causing a jam soon after the start. Dan McKenna suffered by the interference at the start and was shuffled far back, but closed a big gap steadily and, finishing with a rush, was probably best. Inflammable had no mishaps and tired in the stretch. Ezra, poorly handled, ran a winning race and finished with a rush. The Pet quit badly after going three-quarters. Prince of Pless was caught in the jam soon after the start and fell. Scratched—64719 Mae Lynch, 92; 64769 Gilfain, 102. Corrected weights—Talamund, 35; Prince of Pless, 90. Overweights—The Pet, 1 pound; Dorasette, 1; Inflammable, 3.

Winner—Br. c, by Sorcerer—Balance II. (trained by T. Welch).

Went to post at 3:00. At post 3 minutes. Start fair. Won handily; second driving; third the same. Momentum again outbroke and outpaced his opponents under skillful handling, scoring what was probably a lucky victory, however. Royal Lady broke slowly and rushed up on the inside of the leader, but was badly shut off, then closed up again very fast, but swerving to the outside. Royal Breeze, after being reserved in a good position, began to improve his position rapidly in the last three furlongs and was a fast going third. Oraculum, from a flying start, kept well up for a half mile and then tired, but ran a good race. Master Lester, away very badly, made up a lot of ground. Darabow went well after getting away poorly. Pierrot went moderately well. Allowmaise can do better.

Scratched—(64744)Fantastic, 103; 647282Monfort, 92; 643262Nancy, 94; 64666 Molesey, 94.

Winner—Br. f, by Kingston—Bonnie Gal (trained by J. I. Smith; 1:543.

Went to post at 3:29. At post 2 minutes. Start good. Won driving; second and third the same. Coy Maid, from a good inside position, quickly got into forward contention, set a hot pace through the last six furlongs and was never headed, but probably achieved a lucky victory. Dandelion, away slowly on the outside, was forced wide on the first turn and bumped badly, losing much ground, but closed up with wonderful speed on the extreme outside and momentarily appeared like passing the leader in the stretch, but tired eventually. Far West held a forward position from the start and finished a fast going third, running a cracking race. Chimney Sweep, shut off at the start, steadily improved, his position on the outside into a close fourth in a surprisingly good effort. Angler, knocked to the rear at the start, closed a big gap. Red Friar made up a lot of ground. Martin Doyle lost ground in the first quarter and appeared hopelessly out of it when beginning the last furlong. Grapple failed to stay.

Kennyetto, from an inside position and a flying start, set the pace throughout and just scored after a

terrific stretch drive. Gold Lady improved her position from the start, closed up rapidly on the inside in the last furlong and just failed to get up. Fantastic ran lapped on the leaders until in the last sixteenth, where she tired and received a badly judged ride, making her run on the outside on the turns. Victoria B. closed a big gap in the last half. Clare Russell, slightly sore, ran forwardly for five furlongs, but tired in the closing drive. Loring helped to force the pace to the stretch, where she quit badly. Jersey Lady was never dangerous and is in poor form.

Went to post at 4:54. At post 4 minutes. Start straggling. Won driving; second and third the same. Nemesis received a lucky start and maintained a good position in the early running, finally wearing the leader down in the stretch and was easily best. Stoic, from a flying start, set the pace to the backstretch, where he was momentarily headed by Miss Ogden, passed the latter again on the twa and appeared all over the winner in the stretch, but tired; Miss Ogden got away slowly and was rushed up on the inside and into the lead, but tired on the last turn, yet beat the others off for third place. Holseher got away badly and closed a lot of ground. Markie Mayer showed speed for five furlougs.

Garrett Wilson was cut off a couple of times and had to work his way up on the outside, but came fast in the stretch run and was going away at the end. Blue Coat began quickly, rushed to the front and set a fast pace, but tired when the winner challenged. Bonnie Reg, off slowly and outrun for the first half, finished with a rush. Anna Day sulked and was under a drive most of the trip. Dr. Coffey ran well.

Went to post at 3:35. At post 2 minutes. Start good. Wen driving; second the same. Chancellor Walworth moved up fast on the outside while rounding the turn into the homestretch, caught the leaders at the sixteenth post and, after standing a gruelling drive, just managed to last long enough to stand off Cambridge. The latter, as usual, finished with a belated rush after trailing for the first seven furlongs and would have won in another stride. Reservation was lucky in squeezing through next to the inside rail on the first turn, was taken back on the backstretch and, coming on fast in the stretch, appeared the winner at the eighth post, but tired in the final drive. Bon Mot ran well to the stretch and held on gamely. Exclamation pulled up lame. Scalper showed improvement. Gilpin forced the pace to the stretch and tired. winner at the eighth post, but thed in the man drive. But also can be gamely. Exclamation pulled up lame. Scalper showed improvement. Daily Racing Form will publish from time to time a table of the rating of the jockeys riding on American tracks, based on their performances in the saddle. The best riders will be given the uniform rating of 100, and from that point the others will be graded down according to their estimated relative skill. For a difference of five points between the jockeys, three points change in the handicap figures assigned the horses in any race must be made. Only riders frequently in the saddle will be given a place in the tables. The following

#### MOMENTUM SCORES HIS TENTH VICTORY.

MOMENTUM SCORES HIS TENTH VICTORY.

Momentum, the brown colt by Sorcerer—Balance II., which won the second race at Gravesend yesterday, has proved a mighty good investment for the Newcastle Stable. This colt was bred by Henry T. Oxnard and was foaled in his Blue Ridge Stud at Upperville, Va., May 9, 1904. He was sold by auction at Sheepshead Bay June 22, 1905, and was knecked down to Thomas Welch, his present trainer, for \$500. He has won ten races, been second once, and third twice and unplaced once in his fourteen starts. His total winnings to date are \$6,185. He made his first start at Jamaica May 7, finishing third and last to Blue Dale and Clements. Eight of his winning races have been at five and a half furlongs and the other two at five furlongs. All of his successes have been accomplished over fast tracks save one, which was in sloppy going at Salean. Three times he has run five and a half furlongs in 1:07\(\frac{x}{2}\), twice with 102 pounds and once with 97 pounds. That seems to be the top of his speed, yet he has always had a safe margin at the end of his winning races at that distance. His best five-eighths was in 1:01 over the Salem track. He had up 114 pounds that day, the heaviest impost he has yet carried to victory.

Balance II., his dam, is a daughter of Stratford and Equipoise. She was a winner and is a half sister to Equality, the dam of that good racehorse and Equity.

This is something on which I have the word direct and one on which I will advise my clients to plunge for the limit. The other morning over the Douglas Park track, in preparation for this getaway killing. this horse worked one mile in 1:434 and he was fighting for his head all the way. The people who will engineer this coup are sure-thing men of the first water. They will make no mistakes. You may rest assured on this point. Don't miss this getaway cinch. It's something on which you can unbelt for the bankroll.
